If you are under 18, you must register by March 17, 2007, so the proper waiver forms can be sent in time for the school. Minor waivers must be notarized unless at least 1 parent shows up at the school. If you have any questions e-mail or call me.

This is a combined beginner and advanced school. Beginning autocrossers will receive classroom instruction in the morning. The advanced class will spend the morning on the course with the instructors. The advanced drivers will work in two groups, one working while the other drives. The morning driving time will be split evenly between the two advanced groups. The advanced drivers will be required to assist during the afternoon driving sessions for the beginners.

Registration and payment must be in advance. Last day for registration is March 30, 2007. Registration will be confirmed by e-mail if possible or by post card if there is no e-mail address. **Last day to cancel if you can't make it, is also March 30, 2007.** We will try to have 2 drivers per instructor. Class size is limited to 30 students; so the earlier you register the more likely you will get into the class.
